

**Professional Resume
of
JOHN P. REAGAN, P.E.**

February 2019

I. General Information

Electrical Engineer
Schaefer Engineering, Inc.
Wentzville, Missouri

II. Professional Summary

A. Education: Bachelor of Science Degree
Electrical Engineering
Southern Illinois University
Edwardsville, Illinois
May 1996-Magna Cum Laude

Associates of Arts Degree
Engineering Science
St. Louis Community College
St. Louis, Missouri
December 1992

B. Experience:

June 2003 to present

Position: Project Engineer - Electrical
Schaefer Engineering, Inc.
Wentzville, Missouri

April 1999 through May 2003

Position: Project Engineer - Electrical
FTI/S.E.A. Consulting, SEA Limited
St. Louis, Missouri

Responsible for electrical engineering projects including failure analysis of electrical components and systems, analysis of electrical equipment and appliances to determine their role in an incident, and evaluation of electrical shock and electrocution incidents. Fire origin and cause analysis. Other types of projects include alarm system and equipment evaluations, equipment damage evaluations such as lightning or water damage, and lighting system evaluations.

Experience (continued):

May 1981 through March 1999

Positions: Deputy Director of Electrical Engineering/Project Manager
Sverdrup & Parcel, Sverdrup Corporation, Sverdrup Facilities, Inc.
and Jacobs Engineering, Inc.
St. Louis, Missouri

Responsible for the successful delivery of quality projects on schedule and within budget. Specific duties included troubleshooting, failure analysis, project planning, production management, scheduling, and electrical engineering of building and site electrical systems including power distribution, lighting systems, and communication systems. Project Manager including oversight of multi-discipline design and construction activities. Master Builder Award recipient.

III. Professional Registration

Registered Professional Engineer in the States of Missouri (2001), Illinois, Indiana, Arkansas, Alabama, Kansas and Tennessee.

Certified Fire and Explosion Investigator (NAFI-CFEI), National Association of Fire Investigators Certification Board. (2010)

Certified Fire Investigator (IAAI-CFI), International Association of Arson Investigators. (2014)

Certified Fire Investigator, Missouri Division of Fire Safety. Certified to the standards and qualifications in NFPA 1033-2009. (2015)

IV. Continuing Education

1993 - Overcurrent Protection, Bussmann

1994 - Overcurrent Protection, Square D

1996 - Telecommunications Infrastructure Planning, Washington State University

1996 - Fundamentals of Project Management, Caltech

1999 - Annual Conference/Fire Investigation Training, Missouri Chapter IAAI

1999 - Live Burns, Testing and Analysis, S.E.A. Columbus, Ohio

1999 - Ohio Arson School

1999 - Investigation of Electrical Appliance Related Fires, IAAI/AHAM

2000 - Annual Conference/Fire Investigation Training, Missouri Chapter IAAI

2001 - Annual Conference/Fire Investigation Training, Illinois Chapter IAAI

2001 - Investigation of Gas and Electric Appliance Fires, Fire Findings, Inc.

2002 - Annual Conference/Fire Investigation Training, Illinois Chapter IAAI

2002 - Annual IAAI Conference, International

2004 - Annual IAAI Conference, Missouri Chapter IAAI (Partial)

2004 - Annual IAAI Conference, Illinois Chapter IAAI (Partial)

2005 - Seminar on NFPA 70-2005, National Electrical Code

2005 - Seminar on NFPA 70E, Standard for Electrical Safety in the Workplace

2005 - OSHA Asbestos Awareness, AmeriSafe, Aurora, Illinois

2007 - Seminar NFPA 72-2007, National Fire Alarm Code

2007 - Seminar Fire Alarm Inspection, Testing and Maintenance

2007 - Seminar, Forensic Fire Scene Reconstruction, IAAI
2009 - Mazzone/Buxton Training Conference, Illinois Chapter IAAI
2009 - Annual Conference/Fire Investigation Training, Illinois Chapter IAAI
2010 - National Fire, Arson & Explosion Investigation Training Program, NAFI
2010 - IAAI CFI Trainer, Electrical Safety
2011 - Mazzone/Buxton Training Conference, Illinois Chapter IAAI
2012 - Mazzone/Buxton Training Conference, Illinois Chapter IAAI
2012 - Designing for Compliance with IEC 60601-1, Underwriters Laboratories
2013 - OSHA Asbestos in Construction, Click Safe
2013 - Asbestos Operations and Maintenance, Environmental Safety
2014 - Asbestos Operations and Maintenance, Environmental Safety Refresher
2015 - National Fire, Arson & Explosion Investigation Training Program, NAFI
2015 - Hazardous Voltage/Current in Marinas, NFPA/American Boat and Yacht Council
2015 - Asbestos Operations and Maintenance, Environmental Safety Refresher
2016 - Asbestos Operations and Maintenance, Environmental Safety Refresher
2017 - Asbestos Operations and Maintenance, Environmental Safety Refresher
2017 - IAAI CFI Trainer, Thermometry, Heat and Heat Transfer
2017 - IAAI CFI Trainer, Arc Mapping Basics
2018 - Asbestos Operations and Maintenance, Environmental Safety Refresher
2018 - NASP/IAAI, Understanding Safety Concerns: Asbestos at the Fire Scene
2018 - NFPA, Developing a Comprehensive Electrical Safety Program
2018 - IAAI CFI Trainer, Critical Thinking Solves Cases
2018 - IAAI CFI Trainer, Residential Electrical Systems
2018 - IAAI CFI Trainer, The Impact of Ventilation in Building Structures on Fire Development
2018 - IAAI CFI Trainer, Understanding Undetermined
2019 - IAAI CFI Trainer, Fundamentals of Interviewing
2019 - IAAI CFI Trainer, Fire Investigator Scene Safety
2019 - IAAI CFI Trainer, Discovery in Criminal Cases
2019 - IAAI CFI Trainer, Basic Electricity
2019 - Asbestos Operations and Maintenance, Environmental Safety Refresher

V. Professional Affiliations

International Association of Arson Investigators (IAAI)
 Missouri Chapter, IAAI
 Illinois Chapter, IAAI
National Association of Fire Investigators (NAFI)
Institute of Electrical and Electronics Engineers (IEEE)
 Senior Member
National Fire Protection Association (NFPA)
 NFPA, Electrical Section
 Technical Committee on Electrical Arcing (921-2014 Edition)
 Task Group on Marine Fire Investigation (921, Chapter 30-2020 Edition)

VI. Courses Taught

Electric Appliance Fires - April 2000, Annual Conference of the Missouri Chapter IAAI.

Engineering Role in Fire Investigation - April 2001, Annual Conference of the Illinois Chapter IAAI, Southern Zone.

Electrical Appliance Fires – April 2002, Grinnell Mutual Insurance Company

Engineering Role in Fire Investigation – May 2002, International Association of Arson Investigators Annual Conference.

Electrical Services at the Fire Scene – March 2003, Annual Conference of the Illinois Chapter IAAI, Southern Zone.

A Team Approach to Fire Investigation – September 2003, Annual Conference of the Illinois Chapter IAAI.

Fire Scene Electrical Systems – May 2004, Annual Conference of the Missouri Chapter IAAI.

A Discussion of Electrical Engineering Topics – May 2004, Annual Conference of the Illinois Chapter IAAI, Southern Zone.

Electrical Systems at the Fire Scene – September 2005, 38th Annual Fire & Fraud Investigation Conference of the Professional Fire & Fraud Investigators Association.

Investigating Electrical Fires including the Evaluation of Alarm Systems – September 2006, Fire Investigation Training Conference of the Illinois Chapter IAAI, in Cooperation with the Illinois Fire Service Institute and the Office of the State Fire Marshall.

Investigating Electrical Fires – September 2006, 24th Annual Fire Investigation Seminar of the Iowa Chapter IAAI.

Electrical Fire Investigations – October 2008, Chicago Fire Department, Office of Fire Investigations, In-Service Training.

An Update on Electrical Investigation Topics – March 2012, annual conference of the Central Illinois Fire Investigators Association/ Illinois Chapter IAAI.

Proving the Cause, Beyond the Basics – March 2015, annual conference of the Central Illinois Fire Investigators Association/ Illinois Chapter IAAI.

Fire Investigation 101 – November 2016, DRI Fire Science Conference, Scottsdale, AZ.

NFPA: It's Not Just 921 – September 2018, DRI Fire Science Conference, Washington, D.C.
